BARCELONA TAPAS BAR

Christmas Menu

We have a large selection of set menus selected specially for groups of all sizes.
We have also put together some great party drinks deals.

All our menus have been carefully planned to provide your group with a superb range of our tapas. If you have any special requirements, do let us know and we will create a menu to suit you.

Our Christmas terms and conditions are at the end of this section. This is the only period of the year where we stipulate a requirement for deposits for our menus. We realise that this is not always a popular condition but assure you that it is necessary during this extremely busy period in order to streamline bookings and avoid any disappointment to our customers.

Why not add one of our drinks/cava deals to make sure that your party is full of festive cheer!
